

The Pastor's Corner

Dear Parishioners,

The success of a capital campaign depends a great deal on the quality of its leadership team. I am very excited about the outstanding group of parishioners who have agreed to make up this leadership team. I am very grateful to them for agreeing to serve in this capacity.

The Campaign General Chair is John Lippe. John has been working closely with me and has assembled an outstanding group of parishioners to chair the committees that will make up the organizational structure of the campaign.

Over twenty individuals or couples are part of the overall leadership of our campaign. In the past week, they met to learn more about the campaign and their role in it. Sincere thanks to everyone who has agreed to give of their time for this important effort.

In the coming weeks you will be hearing more about the campaign as we approach the formal kick-off of the effort.

In Christ Jesus,

Fr. Jim
