

The Pastor's Corner

Dear Parishioners,

It's finally here!! After weeks of preparation and hard work, this weekend marks the official *Honoring Our Past...Building Our Future* campaign kickoff.

Please pay close attention to your mailboxes in the coming days. If it hasn't arrived already, you should be receiving our *Honoring Our Past...Building Our Future* campaign brochure, which explains the specific goals of the campaign, and provides information on how you can be a contributor to this important effort.

Thank you, once again, to all of our wonderful volunteers who have been working behind the scenes. These devoted parish leaders recognize that the success of this campaign will be enjoyed by the families of Holy Spirit for years -- and generations -- to come. If our parish can come together to accomplish these goals, the impact will be tremendous and long lasting.

Please prayerfully consider how you can make a difference.

In Christ Jesus,

Fr. Jim
