

The Pastor's Corner

Dear Parishioners,

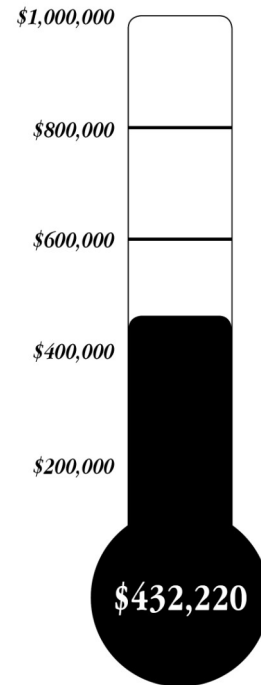

A generous person will be enriched, and the one who provides water for others will himself be satisfied. - Proverbs 11:25

We at Holy Spirit have embarked on a special mission or journey to build a new church. Let us look upon this as a wonderful opportunity, an opportunity to work together as disciples of God and to do His good work. How many times in our lives are we invited to be a part of something so meaningful?

I have truly been touched to witness the vast generosity of so many parishioners. It began with the campaign chairs and volunteers who faithfully accepted the challenge to lead the parish in this effort. I am so grateful for their commitment and devotion. In addition, I would like to thank everyone who has already generously made a pledge to the campaign. Together, in just a few short weeks, we have committed \$432,220 in support of the new church.

As we continue to build upon this opportunity, may I ask that everyone reflect and pray about their involvement? Have we done all that we can do, individually and as a community, to realize the dreams of Holy Spirit parish? Can we possibly do more to ensure that we reach our goal?

As a parish, we will continue to move forward on this three-year journey. Thank you for graciously accepting this opportunity to serve as good stewards of God's varied graces. It is my hope that you will join me in doing all that we can to reach our goal for a new church.
